Summertime Fun in Galesville

The steamy summer of '22 was packed with fun for families in Galesville!

GHS hosted a Father's Day Family Fun Picnic in June. Even though the event was free, the donation box was busy, and the cost of the event was easily covered. Kudos to John and Dorothy Whitman for the fabulous BBQ and mac and cheese, as well as lending their organizational skills to make the event go off seamlessly. Thanks to the Blacks, Marti and Leo, and Jim Chandler for manning the grills for perfectly cooked burgers and hot dogs. We had such positive feedback about the multi-generational event, we will definitely be doing it again!

July 24th, brought the ever-popular ice cream social! Calories didn't count on that beautiful, hot Sunday afternoon. The museum was busy with visitors, both kids and kids-at-heart! This is a beloved tradition that celebrates the living heritage of our community.

Boat Tour: First tour 2 P M

Location: Galesville Heritage Museum

On display will be the Hopkins 1878 atlas of Anne Arundel County with a 24 x 15 inch map of each of the districts. In addition, a display of historical maps will illustrate Galesville's growth from colonial times to the 20th century.

Experience Galesville's maritime history and see the community from the water. Take a boat tour (weather permitting) from the Galesville Community Pier aboard the "Miss Hazard" a 36-foot tuck-stern bateau. This 36-foot tuck-stern bateau is a reproduction of the historic classic West River Bateau, built by Norman Hazard, at his home shop on Church Lane in Galesville. Tours will begin at 2 pm.

Going, Going, Gone!

The return of the Great Galesville Auction on July 9th was a huge success.

Over 140 people came, noshed, visited, and bid...Boy, did they bid! Galesville Heritage Society raised \$9000 toward improvements to the grounds at the museum.

Items and experiences included everything from a vineyard tour to a dinghy, there was furniture, artwork, gift certificates to local restaurants, and many others. John Whitman took the podium and gave the crowd a taste of real auctioneering. The bids flew, fast and furious and the laughter and excitement was palpable.

A big, loud, "Thank You!" goes out to the many volunteers who made the event such a seamless success. We all appreciate the efforts of the Auction Committee, the kitchen wizards who prepared delicious appetizers, the bartenders who kept the crowd lubricated, the bean-counters who kept the tabs straight and the clean up crew who stayed behind and returned in the morning!

Independence Day Parade

Everyone loves a parade, but especially this year.

Thanks go to all the greater Galesville community for making this such a wonderful success.

Whether it was due to it being an election year or just the reputation of our parade being the best, our turn-out and participation was fantastic. The weather was perfect and the crowds along the parade route were happy to celebrate the country's birthday and all the participants. Once again, congratulation go to Ted Gott, this year's Grand Marshall, in recognition his service to the community.

Message from President

It goes without saying our village is a wonderful place to live and raise a family.

This newsletter I want to address investing in Galesville. This just doesn't happen, it takes many people investing their time, expertise and money to make Galesville better every day. There are members of our village who are the mainstays, always answering the call for volunteers or just doing the things that need to be done. If we want Galesville to continue to grow and be an even better place to live, we should join with our neighbors whenever possible and help make the big things happen. This year, we've seen some great things happen. After years of effort, the Hot Socks Ballfield is almost complete, the old Market has been purchased and is raising funds for

the renovations. Repairs to the County pier with a developing plan for a new vision of our waterfront is in its initial phases. I'm excited for Galesville's future and I hope you are as well. So when asked, please be generous with your time, talents and financial support. Our village is not where you go to retire, it is where you go to invest in the future and enjoy the best years of your life. Today's investment will ensure Galesville is the best South County has to offer for years to come.

~GHS President: Jim Chandler

Veterans Day

Galesville Heritage Society will hold our annual Veterans Day Observance on Friday, November 11th from 10:30-12:30pm at the Galesville Memorial Hall. Veteran's Day is the day we recognize our neighbors former and present who have served the county in uniform. There will be light refreshments and displays which tell the stories of the Uniformed Services. We especially invite any veteran to join us and informally share stories of their time in uniform.
